Meeting Announcement

Next Meeting

Wednesday, April 20, 2005 at 7:00 P.M. at
Grandview Heights High School
1587 W. 3rd Avenue – 1st floor cafeteria

Jackpot

Jeannie Moore's name was called for the \$141 jackpot but, unfortunately, Jeannie was not present to win. The good news for the rest of us is the \$141 rolls into this month's jackpot. We're starting to get into real money territory again so don't be sitting at home when your name is called!

Door Prizes

Delighted winners of door prizes in March included Connie Murphy, Larry Wilson, Tony Rush, and Harold Saunders.

Coin Market Report

Prices have largely stabilized in the April CDN Monthly with very few plus or minus signs noted. Many of the plus signs are in the Indian gold series and the modern \$5 commemorative gold coins.

According to population reports in Numie News the lowest mintage state quarters to date are the Iowa "P" and the Michigan "D". Will that hold up down the road?

Congratulations

A lifetime membership is a great way for you to support the club. It also saves you from those annoying dues notices. Congratulations to the latest life member Gary Morani!

Club Auction

Our monthly coin auction will be held at the conclusion of the meeting. A list is enclosed with this bulletin. The coins will be available for viewing throughout the meeting. Consignors may submit up to 15 lots. In order to cut down on errors, please submit a list via email in a Microsoft Word document in the same format as the list you see. The list must be submitted 10 days prior to the meeting. There is a 10% seller's fee, but no buyer's fee.

April Educational Program

During the Civil War, the motto In God We Trust made its first appearance on a United States coin - the short-lived 2 cent piece. The mint experimented with several sayings, including God Our Trust and God and Our Country before deciding on the now familiar motto.

William Bierly, who collects experimental coins, will talk about pattern coins and how the motto came to appear on coins.

Coin Quiz

Gerry Tebben is hard at work putting together another quiz. Be prepared! A fabulous numismatic prize to the winner again!

Show and Tell

This is your opportunity to show off any new finds or challenge members minds with the unidentifiable!

World Coin SIG

The World Coin SIG will meet on Sunday, May 15th at the Lane Ave. Holiday Inn at the conclusion of the monthly coin show held there the same day. Dealers are being asked to bring additional world coin material that day. The World Coin SIG pays particular interest to world coins, currency, and tokens. These meetings are always informative. Please see Heath MacAlpine for further information.
